A Modern Investment is Offered the Public in

## GREENVILLE, FLORIDA,

Tuesday and Wednesday, Sept., 24 and 25.

A modern investment is one that cannot fail to prove profitable, and when you invest in Greenville you are putting your money where it cannot help but grow.

The property we have to offer is right in the heart of the City and consists of the most desirable business and residence lots in the town.

The Prices will Range from \$25.00 up, and the Prices of Each Lot will be Marked in Plain Figures.

The terms are ten per cent cash, fifteen per cent in thirty days, fifteen per cent in ninety days, and the balance payable November 1st., 1908, without interest or taxes.

Greenville, Florida is not on a boom. The town has had a substantial, steady growth right along, and for some time repeated efforts were made by a number of people to acquire some of this property which we have to offer, as it is not only the most desirable and valuable property in the City, but the improvements which have been made, make it the most attractive town of any place of its size in the State.

Previous to this it could not be bought and you have the opportunity of a life time on Tuesday and Wednesday, September 24th. and 25th.

We will pay the railroad fare to the purchaser of one or more lots within a radius of three hundred miles of Greenville.

A Grand Free Barbecue and Everybody is Invited to Attend whether you Buy or Not.

It stands to reason that a town with the agricultural and timber section back of it that Greenville has, cannot help but thrive, and the coming year will mark the beginning of another great industry.

TOBACCO. It has been said by experts that the lands right around Greenville are better adapted to the raising of tobacco than any other in the State and this will be proven beyond a shadow of a doubt.

Come and See for Yourself.

We say that Greenville offers today the best possible inducement to the investor, as well as the homeseeker. We have no desire to make any misrepresentations and could not do so if we wanted to, but we have a desire to let every person who wants to locate in a progressive town, and to those who are seeking an investment this is solid, safe and profitable to come to Greenville on Tuesday and Wednesday, September 24th, and 25th., and see for yourself and buy a lot.

You will be doing yourself an injustice if you fail to visit Greenville on these days, Tuesday and Wednesday Sept. 24th. and 25th.
